

**INQUIRY INTO PROPOSAL TO RAISE THE
WARRAGAMBA DAM WALL**

Name: Name suppressed

Date Received: 30 August 2019

Partially
Confidential

I strongly object to the proposal to raise the wall of Warragamba Dam. I was born at Katoomba in 1955. The natural environment and heritage of my country is sacred to me. I'm heartbroken to see it destroyed by population pressure, and a government that would further flood it can only be my enemy, a traitor to everything I cherish.
