

**INQUIRY INTO PROPOSAL TO RAISE THE
WARRAGAMBA DAM WALL**

Name: Name suppressed

Date Received: 30 August 2019

Partially
Confidential

Its time that state governments planned ahead to hold onto the very little history we have access to in this country. There is little built history, and the ancients... the aboriginal tribes have not had a voice to hold onto the history that has not been dismissed for over 200 years.

DON'T RAISE THE DAM WALL AND DROWN even more of their history for us all to hold as history for Australia
