

**INQUIRY INTO PROPOSAL TO RAISE THE
WARRAGAMBA DAM WALL**

Name: Name suppressed

Date Received: 30 August 2019

Partially
Confidential

I think it is disgraceful to raise the dam wall to satisfy developers greed. Its about time politicians started caring for the Australian people as we are all shareholders in Australia. Politicians need to stop pandering to business just for political donations. Also the people who will lose their farms due to flooding should be considered as well as what's left of our wildlife
