

**INQUIRY INTO PROPOSAL TO RAISE THE
WARRAGAMBA DAM WALL**

Name: Name suppressed

Date Received: 30 August 2019

Partially
Confidential

To whom it may concern

I believe raising warragamba dam will be a environmental disaster. I take my kids to this area and they love it and hope one day that they will take theirs there as well.

Please keep this area as untouched as possible and keep the world heritage listing

Thanks
