

**Submission  
No 96**

**INQUIRY INTO PROPOSAL TO RAISE THE  
WARRAGAMBA DAM WALL**

**Name:** Mr Thomas Ebersoll

**Date Received:** 31 August 2019

---

Ref.:Raising the Dam

I don't support plans for the raising of Warragamba Dam.

The subsequent flooding of large areas of sensitive environment and aboriginal heritage sites is no price that should be paid for flood proofing future development sites downstream.

Will human greed and destruction ever come to a halt ?
