**INQUIRY INTO PROPOSAL TO RAISE THE
WARRAGAMBA DAM WALL**

Name: Mr Geoff Brown

Date Received: 5 September 2019

I oppose the raising of Warragamba Dam. I believe the proposal to raise Warragamba Dam has nothing to do with public health and safety but is about facilitating further development of floodplains in western Sydney such as at Penrith Lakes. As a 45 year resident of Penrith I can assure you that local residents oppose any housing at Penrith Lakes.
