

**INQUIRY INTO PROPOSAL TO RAISE THE
WARRAGAMBA DAM WALL**

Name: Name suppressed

Date Received: 5 September 2019

Partially
Confidential

I have lived in this area my whole life and i am witnessing how the local gov't has over populated the area with infrastructure to cope. Now you need to fit more house into the congested place..with cloged up roads..taking down the trees..to destroy the air quality.
Im just disgusted in the decisons being made...more people packed into this area makes me want to leave...so disappointed that the big companies/develops run the show..
