

**INQUIRY INTO PROPOSAL TO RAISE THE  
WARRAGAMBA DAM WALL**

**Name:** Name suppressed  
**Date Received:** 5 September 2019

---

Partially  
Confidential

I believe that the Blue Mountains area where I grew up is a wonderful place and should be maintained at all costs. So much of it has changed in the last 40 years and it breaks my heart to hear that developers want to change this world heritage place just to make more money. Money will come and go but this area would be changed forever. Please keep some of Australia as it was. Progress is not always a good thing.  
Thank you.
