**INQUIRY INTO PROPOSAL TO RAISE THE
WARRAGAMBA DAM WALL**

Name: Mrs Yvonne Lollback

Date Received: 5 September 2019

Partially
Confidential

Please look at the full picture such as the dirty developer politics around the raising of this dam - like when Liberal Party donor, _____, sold flood-prone land at three times the price he purchased it for just after the project was announced. Also the impact on species and aboriginal land. Don't let developers run the agenda.

Thanks in anticipation,
Yvonne Lollback
