**INQUIRY INTO PROPOSAL TO RAISE THE
WARRAGAMBA DAM WALL**

Name: Mr Jon Coughlin
Date Received: 6 September 2019

Dear Sir or Madam,

As a concerned resident of the upper Burragorang I am highly concerned of the effects that raising the wall will do. I am also seriously concerned with the impact on the immediate environment and the Aboriginal historical remains still there. I urge the Parliament to consider the advice of Environmental and scientific groups concerning this issue.
