**INQUIRY INTO PROPOSAL TO RAISE THE
WARRAGAMBA DAM WALL**

Name: Mr Philip Merriman

Date Received: 6 September 2019

The raising of Warragamba Dam wall has been attempted before by greedy development driven companies, politicians and any other development at all cost individuals who cannot resist the smell of the dollar. At the same time they'll be quick to point out the many and varied reasons why it is essential and right.

The whole world knows this self-serving greed.
