**INQUIRY INTO PROPOSAL TO RAISE THE
WARRAGAMBA DAM WALL**

Name: Ms Sue Gay
Date Received: 6 September 2019

Dear Committee,

Please accept this submission to the Legislative Council's Select Committee Inquiry into the Proposal to Raise the Warragamba Dam Wall. I consent to this submission and my name being published. My reasons for objection are as follows.

1. Loss of Aboriginal Heritage & culture.
2. Loss of so much environment.
3. Coal mining has long term ramifications, the Burrangong valley had huge amounts of mining about 30 years ago, remnants of disused mine equipment still litter the area.
4. The town of Yerradnie was a old silver mining town the dams with all the toxic tailing still exist, has that matter being addressed.
5. Why do us Australians have to suffer we are becoming a minority race, with the mass immigration that is flooding this country. If we did not have that scenario the dam wall would not need raising.
6. If this Government insists mass immigration is needed, the plan for the future, as our forefathers did with the upper Nepean system.
7. Why is this Government curtailing to Developers, I feel that they are running the country. Legislation gets changed to suit the Developer, but no consideration for those that live in these areas.

Regards Sue Gay
