**INQUIRY INTO KOALA POPULATIONS AND HABITAT IN
NEW SOUTH WALES**

Submission to the Upper House inquiry into koala populations and habitat in New South Wales

Dear Committee,

Please accept this letter as my submission to the Inquiry into koala populations and habitat in New South Wales. I consent to the committee making this submission and my name public.

I just want to say that I am very concerned about koalas losing their habitat and I feel like the government aren't doing their job to protect them.

We need to keep koala habitat free from deforestation and stop invading our wild animals' homes. Please take this letter as my protest against environmental degradation that hurts Australian wildlife and please ask the government to do their job by protecting all those living in NSW, including our animals, and not just supporting big business and people with money and loud voices.

Yours Sincerely,

Amanda Thompson
