INQUIRY INTO SYDENHAM-BANKSTOWN LINE CONVERSION

Name: Mr Kevin and Ms Maria Tallentire

Date Received: 17 September 2019

For many years Canterbury and surrounding suburbs have missed out on major infrastructure projects, whilst other parts of Sydney have benefited from various infrastructure projects to the benefit of the residents.

Since announcing the project [Metro South West] there has been a renewed interest in all the suburbs the rail system will service.

In Canterbury, we have seen the benefits that the Metro South West will bring to our area. Canterbury now has two major supermarkets, a medical centre, Pharmacy, Dentist and other worthwhile amenities .

Local & State Governments have discussed this for over 10 years, we would now like it to proceed as planned.

We are very much in favour of this project as it would benefit the entire community.
