**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM
BILL 2019**

Name: Kim Dutton
Date Received: 25 September 2019

I'm glad I saw the ugly side of NSW animal agriculture at a Cube of Truth in Pitt Street mall. I was shocked, distressed and angry all at the same time when I saw massive cruelty towards everyone we eat. I was told most of what I saw were legal standard practices. I thought all animals I ate were treated nicely from birth and slaughtered humanely. Even though I was traumatised by what I saw (I had no idea of the cruelty involved) and enjoyed eating meat, eggs and dairy I thought very soon after, "I'm not contributing to those industries any more." I am grateful for knowing the horrid truth of animal agriculture in NSW. I'd rather know than not know. My heart is glad I am not financially supporting unnecessary cruelty.
