**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM
BILL 2019**

Name: Mrs Margaret Mangelsdorf

Date Received: 27 September 2019

The Right to Farm Bill I wish to state that I am absolutely against this proposed bill. It is my right to bring cruel farming practices to the attention of the public and it is my right to demonstrate against these practices. The agri business is just interested in money and not in the welfare of the animals it abuses. Three years in jail and a fine of up to \$22,000.00 is just a desperate attempt to stifle our rights. I hope you will take my views into consideration when voting on this bill.
