**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM  
BILL 2019**

**Name:** Mrs Anne Roberts  
**Date Received:** 30 September 2019

---

Ag laws are stopping free speech they also allow people to get away with anything they feel like even if it is criminal. No one should be free to cause unmentionable suffering to others. All farms should be open to inspection indeed should have 24 hour surveillance for the protection of all species from the atrocities that happen behind closed doors. By allowing AG rules it is allowing the horrors to be legal, and those that fight for justice to become illegal. Please make sure that AG laws do NOT get passed.
