**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM  
BILL 2019**

I feel strongly that animals must have a right to humane conditions and lives. Making it a crime for people to observe their lives and speak out if necessary is a violation of both their rights and ours. They may be animals , there for human consumption and financial gain but there is never a justification for cruelty or inhumane treatment. We need people to be free to protect them without persecution.

Yours Faithfully, Jane Mari
