

**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM
BILL 2019**

Organisation: Wildlife Carers Group

Date Received: 28 September 2019

Partially
Confidential

Please consider to withdraw your 'right to farm' Bill.

Farmers are running a commercial business filled with exploitation and violence towards animals.

Please refer to our Animal Welfare Act and Bill links below.

Sincerely

Support WCG. WCG is an independent, non profit, non government community based charity providing animal/wildlife care, rescue/rehabilitation and is also an animal/wildlife welfare group, providing protection for our wildlife/animals, run solely by volunteers, with no government funding, saving taxpayers money

Aims and Objectives: To promote the general welfare and continued survival of native fauna and flora as an essential element of the environment, and specifically to undertake the specialised care necessary for the rehabilitation of orphaned, sick and injured native birds and other animals, to promote public awareness of the need to conserve existing wildlife species, and an understanding of their particular habitat and feeding requirements.
