**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM  
BILL 2019**

**Name:** Mr Mark Cutler  
**Date Received:** 27 September 2019

I have concerns for the welfare, and or treatment of animals in factory farming establishments in Australia. It is my belief that this country needs an independent office to oversee and regulate this industry. I also have genuine concerns for freedom of speech, transparency in government and the increasingly repressive laws being fast tracked into existence in order to remove or restrict the people's rights, and awareness of aforementioned practices in this country.
