

**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM
BILL 2019**

Name: Name suppressed
Date Received: 27 September 2019

We wish to express our concern that protest groups are able to interup our right to farm. Legislation should be strengthened to prevent trespass for any persons without permission to enter the property. Permission should only be allowed by the registered land owner. The rights of the courts to grant entry permission should be as currently legislated and not for political or social reasons.
