**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM  
BILL 2019**

My submission is that whistle blowers should not be dissuaded or punished for bringing animal abuse to the attention of law enforcement or the public. They are serving the law by bringing abused animals to our attention. The only reason factory farmed animals are never witnessed by the public in hidden and fenced off factories is because is so unbearably cruel and horrific. Do not silence those brave enough to bring the truth to our ignorant ears. Narelle Taylor
