**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM
BILL 2019**

Name: Mrs Sandra Ferns
Date Received: 27 September 2019

Animals are tortured every single day and it's not right. That nobody stands up for them is disgusting. Nobody who speaks up regarding horrendous treatment of any animal should be punished. The one who is cruel to the animal should be punished and fined. You must change this ridiculous law. The people who make us aware of what animals suffer are the people who deserve a medal. Fine the sadists and leave the good people alone. In fact thank them, that is far more appropriate and deserved.
