BILL 2019**

. Do not allow this bill to pass. I can not believe this is even on the table.

Do not pretend that farmed animals are any different to your loved and protected pet or child at home: YOUNG, VUNERABLE, INNOCENT and LOVEABLE. If they are unlucky enough to be bred into the industry, at least allow their short life to be free of pain and suffering?! There are people with violent, abusive tendencies out there, we are very aware that cruelty is an ongoing issue! You would rather hide it than persecute the violent and cruel? Wow! Shame on you.

Be careful of attributing to a world where there is not much to live for but very much something to die for. Injustice, greed and corruption is all I saw in that bill. You are not doing this right at all. Get more women into parliament please.

We are watching and ready to take action.
