No 185

**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM  
BILL 2019**

**Name:** Name suppressed  
**Date Received:** 27 September 2019

---

Partially  
Confidential

We need our concerned citizens to expose cruel and undesirable farming practices where these are occurring.

There are many instances of cruelty in the farming industry.

We should be able to expose these without being fined or taken to court as long as this does not involve trespass on private property.

Ag gag laws should never be enacted and I call on the government to abandon this bill.
