**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM
BILL 2019**

Name: Mrs Leoni Mcgee
Date Received: 29 September 2019

If this bill does pass then my fear is there will be no checks on the welfare of the animals. As human beings we do need to be compassionate towards other living creatures. Please reconsider. You only have to look at the live sheep export trade to see how unscrupulous operators organise their business. Please don't leave it to the next generation to fix. You as politicians hopefully haven't lost your moral compass entirely.
