**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM
BILL 2019**

Name: Name suppressed
Date Received: 28 September 2019

Partially
Confidential

All industry should be held to the highest environmental, ethical and humanitarian standards. Farming is no different. We all know animals feel pain and form families. Let's respect that and look after them the best that we can. Farming animals deserve our protection. Please let's show the world that Australia can practice animal farming to the highest standards and dignity. We are people that can be the best in the world and treat all animals with compassion.
