**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM
BILL 2019**

Enough is enough!

Animals deserve the right to live without cruelty, in an environment that allows them to be themselves regardless of being domesticated, wild or farmed. It's a basic right that MUST apply to all sentient beings. You know deep in your soul it's the right thing to do. Don't let your appetite for profit, flesh & invested interests stop you from being a good human.
