**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM
BILL 2019**

Name: Mr Paul Murphy
Date Received: 28 September 2019

Partially
Confidential

The Right To Farm Bill is a classic example of an ag-gag Bill.
It will erode civil liberties and more particularly in my view - the ability of whistleblowers to expose animal cruelty on an industrial scale.
Whistleblowers are vital - without them animal cruelty is allowed to flourish.

These are the types of outrages that this Bill is designed to allow to continue unchecked:

Farmers need to protect their social licence.
It has never been more important.
This Bill undermines that.
It must not be passed.
