**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM
BILL 2019**

Name: Ms Carole Li
Date Received: 28 September 2019

This new proposed legislation which will incriminate people who devote their lives to saving sentient beings from tortures and painful death, IS WRONG. Those who don't have the same level of compassion won't do anything to help animals, but the least they can do is NOT TO STOP others from doing so. Please vote against this inhumane and insane legislation, look deep down into your own being, find the strength to do the right thing!!! DO NOT GO BACKWARDS ON THE EVOLUTION OF CONSCIOUSNESS!
