**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM
BILL 2019**

Dear Members,

I am a veterinarian and have worked for and within many farms across Australia. Ah-gag laws would make reporting what is already very difficult, but extremely important to report, almost impossible. I strongly oppose any Ag-gag laws. They would serve to protect those who most certainly do not need protection. Farmers who work within legislation and specifically within Australia's animal welfare laws do not need these Ag-gag laws. Please do not support Ah-gag laws.
