**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM
BILL 2019**

Name: Mrs Karen Burgess

Date Received: 29 September 2019

Good morning

I refer to legislation 202 animal welfare. Farmers cannot be exempt from the public's interest in how they farm. Like all trades , professions and vocations people are accountable for the way they conduct their businesses. Transparency must be allowed as other sentient lives are involved. Reliable access to the treatment of farm animals is paramount to the public's confidence in farming practice.
