BILL 2019**

I lodge my objection to the Right to Farm Bill 2019.

The Right to Farm Bill 2019 undermines the right to protest and freedom of speech. The Bill appears to seek to avoid protest toward the environmental hazards and questions of ethics that can occur as a result of intensive agriculture activities and it is just plain wrong to threaten the Australian community from using their right to protest with such outrageous financial penalties.

The Right to Farm Bill 2019 is an unnecessary piece of legislation and a waste of paper, time and tax payers money
