**INQUIRY INTO PROVISIONS OF THE RIGHT TO FARM
BILL 2019**

I would like to support the Animal Justice Party against the, so called, 'Right to farm' bill. There is already legislation that punishes trespassers, no more is needed. What we need is whistle-blowers and the right of activism to protect animals. How are we to know how those animals are treated and ensure their wellbeing without the activists and whistle-blowers. I stand against the 'right to farm' bill.
