To the NSW Legislative Council's Standing Committee on Social Issues – Inquiry into the Modern Slavery Act 2018 and associated matters

11 October 2019

As a professional service provider that trains and equips businesses and organisations to be leaders in addressing modern slavery in their supply chains and operations, we at Unchained Business Services write to endorse the NSW Modern Slavery Act 2018 and encourage the NSW Parliament to ensure the full passing of this legislation as it was intended in June 2018.

As experts in the field of modern slavery intervention with several year's on-field experience working closely with survivors of forced labour, we trust that the Modern Slavery Act 2018 and the proposed amendments in 2019 will, of primary importance, consider the needs of victims and survivors of this abhorrent trade above that of business community in Australia.

Thank you for the opportunity to write this submission.

Yours sincerely,
