**INQUIRY INTO EXHIBITION OF EXOTIC ANIMALS IN
CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

Name: Ms Joanne Bishop

Date Received: 15 October 2019

The last time I visited a zoo- 30 odd years ago I was greatly saddened to see how distressed and vacant the animals all looked as people in their hundreds and thousands paraded past and gawked at them .This is animal cruelty to do this to animals as they have feelings and emotions and are vulnerable to the power mankind has over them. I abhor this human activity and find no pleasure in seeing this type of spectacle.

I always wished to see this practice of animal entertainment stopped as I am glad to be able to put in this submission in the hope that something will be done.
