**INQUIRY INTO EXHIBITION OF EXOTIC ANIMALS IN
CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

Name: Ms Erica Holding

Date Received: 15 October 2019

To submit animals to lives of misery and cruelty in the name of entertainment is obscene. Circus animals are robbed of their potential lives and confined to cages, like prisons, but they have done nothing wrong. Humans have developed a belief that only their lives are important but this is purely arrogance and permits them to treat other living creatures with total disrespect and contempt.

Please help these poor innocent circus animals but also help the human race from deteriorating into beings where humanity means nothing.
