**INQUIRY INTO EXHIBITION OF EXOTIC ANIMALS IN
CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

Name: Mrs Sandra Ferns
Date Received: 15 October 2019

I think it's past time that human beings get free run on what they choose to do to animals. Our laws constantly fail these poor souls. To enslave them and force them to carry out totally unnatural acts, usually forced to do these by horrifying cruelty and then they live in appalling conditions. As a child I visited circuses not knowing any better but everyone knows better now and to allow it to continue is abhorrent.

Please take all of this into account. Animals are NOT ours to do what we want with.
