**INQUIRY INTO EXHIBITION OF EXOTIC ANIMALS IN
CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

Name: Mr Jake Ewings
Date Received: 8 November 2019

Animals should never be used for entertainment.

Animals exist with their own inherent value separate of human enjoyment or utility.

Animals experience pain, suffering, stress, and anguish the same as us.

Humans profit from from the exploitation of the most vulnerable animals, horses are ridden for races because they trust us to ride, greyhounds chase because they evolved alongside us to hunt, circus dogs perform to appease us because they care for our praise. Time and time again this trust is exploited for a quick dollar, and when the animals usefulness has run it's course and they are no longer profitable, they wind up in pounds, slaughterhouse, knackerries, and shallow graves in the bush.

Have a heart.
