**INQUIRY INTO EXHIBITION OF EXOTIC ANIMALS IN
CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

I believe that like us animals want to be free. To live their lives in their natural environment. Living in captivity is not their natural environment. Performing for our entertainment is not part of their natural behavior. We should not be using them for our entertainment. They feel stressed and long for their natural habitats where they can run, swim as they are meant to do.
