**INQUIRY INTO EXHIBITION OF EXOTIC ANIMALS IN
CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

Name: Mr Martin Carrasco-reyes

Date Received: 11 November 2019

Using animals for entertainment is a horrifying testament to the evil that the bible and countless religions around the world have warned us against. I hope members of the government can view the treatment of these living creatures as per the recent laws passed in the ACT. I hope the government realises these living beings are autonomous creatures, not things, and I hope the government realises that they are equally deserving of the rights afforded to Australians.

Circuses and dolphinariums are abhorrent abuses of the rights of autonomous beings. Liberating these slaves will be an improvement for the nation on the world stage.

Thank you
