

**INQUIRY INTO ANIMAL CRUELTY LAWS IN NEW SOUTH
WALES**

Not everyone in Australia is like you or I, that being caring for animals....our pets, wildlife etc. Some people are beyond cruel, whether intentionally or mi-informed. Animals have feelings just like us. We need an Independent Office of Animal Welfare. Currently Animal Protection Laws are weak and need reviewing. Ask yourself if what happens to some animals would be ok to happen to a human....we all have feelings of pain, joy and so on.

We need a well-resourced and funded enforcement agency. Imagine your pet, or your loved humans in that situation and then question whether this is ok.
