**INQUIRY INTO EXHIBITION OF EXOTIC ANIMALS IN
CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

Name: Mr Igor Srbinovski

Date Received: 15 November 2019

Dear Parliament of New South Wales,

I am writing on behalf of all sentinel beings of not only NSW but of Australia, in particular wild animals such as dolphins, monkeys and lions being forced to perform for human entertainment. It hurts me thinking that in today's day and age that we humans still believe that forcing sentinel beings into any actions against their wills.

It is time for this to change and for the state of NSW to move into the present day and free all animals not only those mentioned from the forced captivity of humans. As humans we have fought for freedom since the dawn of age, we have the power to set our fellow sentinel beings free. What a gift that would be!

I recently saw, on the Hume Hwy near Albury, a fully grown horse being towed on a flat bed trailer travelling at 110km/h. It was showing emotions that any humans in the same situation would be showing, it was scared and so frightened it was frozen. Regardless of the fact whether this is already illegal, this occurs because we as a society allow it.

Let make this world a better place.

On behalf of all beings on earth, thank you.
