**INQUIRY INTO EXHIBITION OF EXOTIC ANIMALS IN
CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

Name: Dr Ross Hill
Date Received: 15 November 2019

No animals should be used for human entertainment. In this case, dolphins, monkeys and lions should not be forced to perform in any location in NSW for the purposes of entertainment. This is a cruel and inhumane practice that must be stopped. We must treat these animals with respect and end the suffering they experience on a daily basis. I urge the NSW government to show leadership and compassion and end the use of animals for entertainment in NSW.
