**INQUIRY INTO EXHIBITION OF EXOTIC ANIMALS IN
CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

Name: Ms Nicole McGregor

Date Received: 15 November 2019

Animals are not property of humans they do not deserve to be locked into small enclosures and forced to perform at the behest of humans that should be protecting them. Instead of wasting money on these sorts of things why don't these organisations do more to protect their wild environments instead of exploiting these animals. It is cruelty there is so much cruelty towards all animals from humans that is ridiculous and governments and those in government who should have morals to stop this exploitation choose to listen to the corporate interests over those that can't pay them for lobbying.

They are nothing but cruel entertainment we are still in the world of barbarism like the romans using them for entertainment and calling it conservation because it suits theme parks to call it this.
