**INQUIRY INTO EXHIBITION OF EXOTIC ANIMALS IN
CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

Name: Name suppressed
Date Received: 15 November 2019

Partially
Confidential

We know about the horrors these suffering animals have to face on a daily basis: they are held captive, separated from their families and deprived of any natural behaviours. This cruelty must end. Knowing this and not taking action is unconscionable. Science produces more and more and more evidence that these animals are sentient beings who feel fear and pain. They are not here for our amusement. Please help them!
