Animals don't belong in entertainment. You wouldn't want your pet to be trained for hours on end and confined in small spaces, for the sole purpose of amusing humans...and it's unfair and cruel for any other type of animal. Animals belong with each other. They have feelings like you or I, they have feelings like our pets and to keep them confined and controlled - exploited is wrong and cruel. Please ban use of live animals for human entertainment...surely we are better than this. Have compassion.
