**INQUIRY INTO EXHIBITION OF EXOTIC ANIMALS IN
CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

Date Received: 16 November 2019

Human beings have no absolute rights over other species. We share the planet. They are not at our disposal to do as we please. This is particularly true for entertainment purposes. Cruelty, arrogance and a total disregard for the rights of living beings is barbaric. It's archaic. Stop this barbarism now. It's time to move into the 21st century and be better humans
