**INQUIRY INTO EXHIBITION OF EXOTIC ANIMALS IN
CIRCUSES AND EXHIBITION OF CETACEANS IN NEW
SOUTH WALES**

Name: Mrs Lisbeth Caldwell
Date Received: 16 November 2019

To whom it may concern,

I am against any non human animal being subjected to imprisonment and forced to perform for our entertainment.

Surely we have moved on from these antiquated ideas that our fellow species were put on this earth for our use and abuse.

I support ending animals, such as lions, dolphins and monkeys, being forced into unnatural conditions and behaviours. We are fully aware of the stress and psychological damage that these animals experience.

The entertainment should come from watching these animals in their natural habitat.

Regards

Lisbeth Caldwell
