**INQUIRY INTO BUDGET PROCESS FOR INDEPENDENT
OVERSIGHT BODIES AND THE PARLIAMENT OF NEW
SOUTH WALES**

Name: Mr Jake Kane
Date Received: 6 November 2019

The NSW police force are invaluable to us as a community however like all groups there are still bad apples that need to be held to account when they aren't fulfilling their obligations.

By reducing funding and only allowing governing bodies to investigate

2% of all complaints we are essentially giving potentially crooked cops a green light and returning to the days pre Royal commission of corruption.
